

Foreign Ownership, Control, or Influence (FOCI) Checklist Required for All Maintenance Orders

Please complete this form and return it as soon as possible to the Contract Administrator.

Previous PO #

DOE is now requiring a FOCI determination on all maintenance orders. In order to determine if FOCI is applicable to your maintenance order and to minimize the paperwork required from you, this checklist has been developed.

Please Check the Paragraphs That are Applicable To Your Maintenance Requirement:

- ☐ The maintenance **will** require on-site (at Los Alamos National Laboratory) visit(s) by the vendor providing maintenance. If you checked this paragraph, answer questions a and b.
- a. Will the on-site visit(s) be performed in a Classified Area:
Yes ☐ No ☐
- b. Vendor will access the Classified Area by:
☐ Being escorted by personnel from the requesting group, or
☐ Vendor personnel already in possession of a Q-Clearance badge.
- ☐ The maintenance **will not** require the vendor to be on-site (at Los Alamos National Laboratory).
